Work Experiences

1 Kekancan Group

Human Resources Intern

Kekancan Group is a property company that has been active for more than 30 years in the development of property projects from real estate, hotels, guest houses, and restaurants in Semarang.
I assist with HR administration, recruitment, marketing, and organizational development.

Intern Projects

In collaboration with other departments, I created booklets about telemarketing for Kekancan Group Hotels and how to develop good atomic habits for the employees.

Intern Projects

Collaborating with other human resources staff, I also compiled a job analysis report for the employees at Head Office of Kekancan Group.

2 PT Jababeka

Recruitment & Assessment Intern

PT Kawasan Industri Jababeka Tbk, operating under the trade name Jababeka & Co., is a property company that has been active since 1989 and is the first open industrial area development company in Indonesia, listed on the Jakarta and Surabaya Stock Exchanges since
1994.

As a Recruitment & Assessment Staff intern, I handled end-to-end recruitment processes including job posting, CV screening, interviewing, and administering psychological tests.

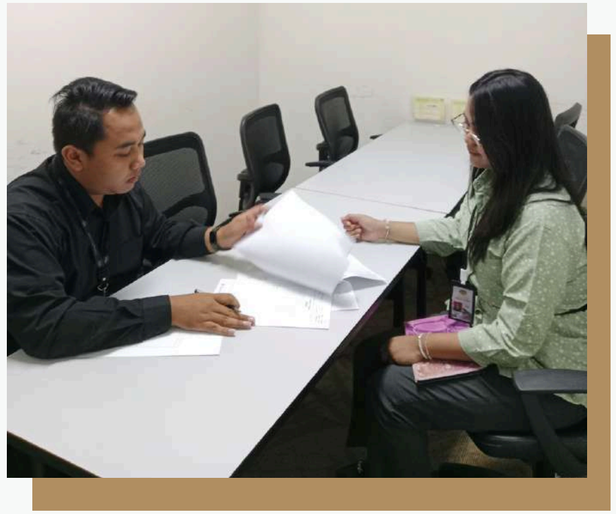
Intern Projects

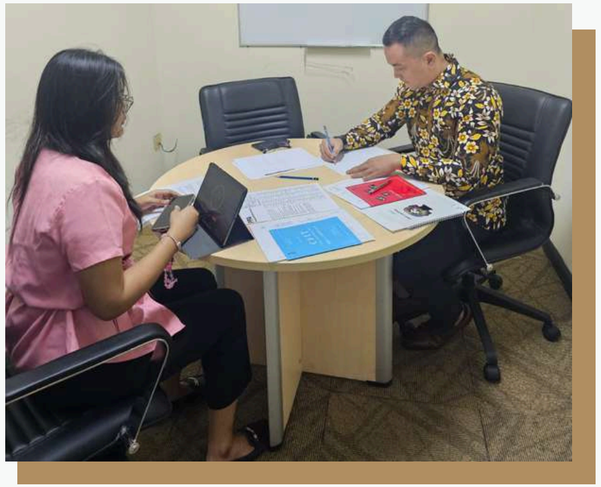
During my internship, I collaborated with fellow interns on several company projects, including organizing the opening ceremony, a Ramadan event, and the farewell party. These projects allowed us to enhance our teamwork, event management, and communication skills while ensuring the events were engaging and successful for all participants.

During the opening ceremony, I was responsible for managing participant attendance records and distributing ID cards. At the Ramadan event, I handled participant attendance records as well, while for the farewell party, I took charge of organizing and distributing gifts and souvenirsI was also responsible for creating participation certificates and ensuring their distribution on the event day.

Intern Projects

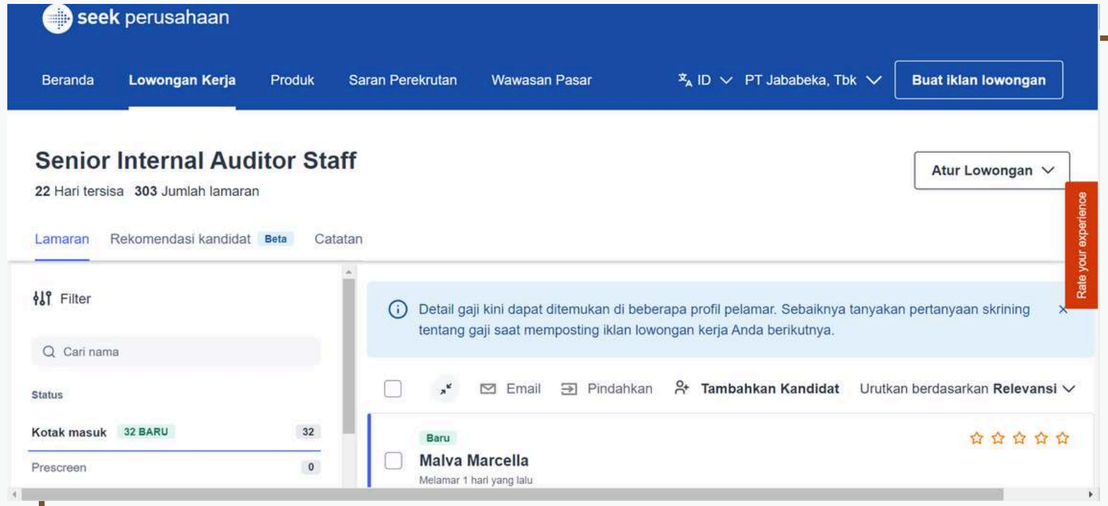
During my internship, after sorting through CVs, I administered paper-based psychological tests to selected candidates. I then created psychological test reports, which were used as a reference during the interview process. Additionally, I was directly involved in candidate interviews alongside the Human Resources Supervisor.

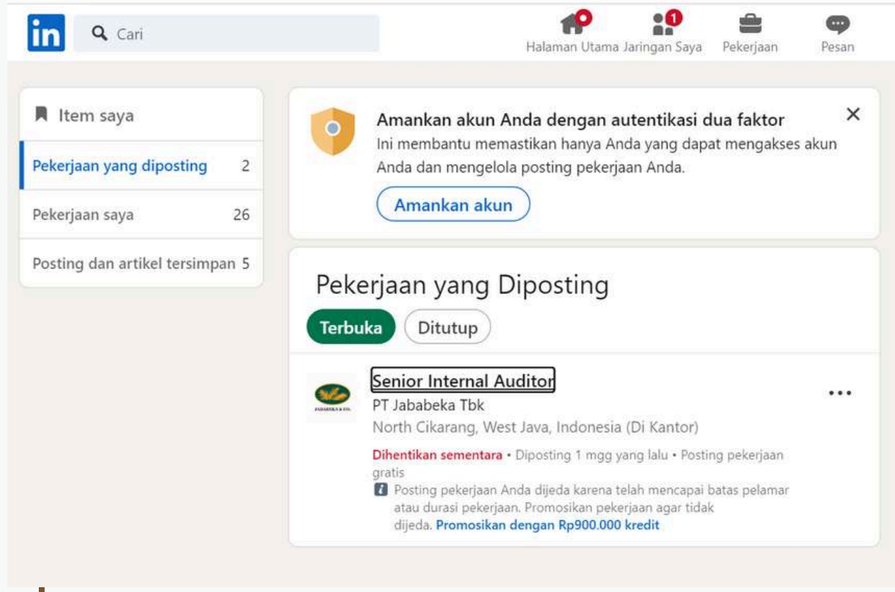




Intern Projects

During my internship, I was responsible for posting job vacancies on platforms such as LinkedIn, JobStreet, and the company's Instagram page. This involved creating engaging job descriptions and ensuring the posts reached a wide audience to attract qualified candidates.





3 Setura

Internal Relation Staff

Setura is a podcast-based media to voice the human heart and gives meaning to a work.

During my time at Setura, I was responsible for managing team-building activities. Collaborating with the internal relations team, I organized event rundowns for bonding sessions and designed engaging activities, including games. I also occasionally served as the host for Setura's internal events. In addition, I handled staff KPIs and performance appraisals to track and improve employee performance. For more information about Setura, please check the Official Instagram Account @se.tu.ra

4 Psylution
